

10 for 9 Student Discount

Terms & Conditions

Please follow the steps below to receive your discount:

- 1) 10 students who take classes with the same bbodance teacher should each register via the [bbodance website](#). Students may be either bbodance members or non-members, and may choose either the accommodation option, or the one without. Students who are bbodance members may also use the 10% off code provided in earlier e-mails.
- 2) After students book, their teacher should e-mail a list of their names to info@bbo.dance. The e-mail should also include the teacher's name, bank account number, and sort code, which will be used to process the BACS refund.
- 3) After Dance Days, during the week of 22 April, bbodance will issue a refund of £299 to the teacher. This amount is equivalent to the standard student member registration fee without accommodation. This amount is fixed, regardless of the type of registration fee the students have paid.

The offer above is only applicable to students registering for [Dance Days 2019](#), which will take place at Elmhurst Ballet School, Birmingham, on 15-17 April. The refund can only be processed if 10 or more students have registered for, paid for, and attended Dance Days 2019. Similar offers may be made for future events; be sure to check the [bbodance website](#) and [Facebook](#) and [Twitter](#) pages for updates.
