

## bbodance HQ directions

### 1. Bus

Bus routes 28, 44, 295 and C3 serve nearby bus stops Peter Gate TN/TJ and Bridgend Road TM/TD. Local bus routes travel through Wandsworth and Clapham Junction from Kensal Rise, Victoria, Ladbrook Grove, Tooting, Hammersmith and Earl's Court: [www.tfl.gov.uk](http://www.tfl.gov.uk).

### 2. Train

Nearby stations include Wandsworth Town, Clapham Junction and Imperial Wharf Overground Station. Wandsworth Town is the closest rail station, which is a short 7-minute walk to Battersea Reach. Clapham Junction is a 15-minute walk or a short bus ride on the C3 bus. Imperial Wharf Overground Station is a 20-minute walk over the river or a 10-minute bus ride on the C3 bus.

### 3. Tube

While the site isn't as easily accessible by tube, Fulham Broadway Underground Station, on the District line, is just a short bus ride away on the 28 or 295 bus.

### 4. Bike

Battersea Reach is also very easily accessible by bike. The Putney and Fulham Riverside Cycle Route makes an easy journey from Hammersmith, Barnes and Putney. Again, please note Wandsworth's one-way system. Bike racks are available at Battersea Reach for cyclists.

### 5. Car

For those travelling by car, please note Wandsworth's one-way system. If travelling from the south of London, it may be easier to take the B229 rather than the A421. While there is short stay parking available at Battersea Reach, tariffs can be expensive. NCP car parks are available at Wandsworth Buckhold Road and Wandsworth Garrat Lane. However, generally it is far easier to travel by public transport.
