Grades 6, 7 and 8 constitute the final suite of Graded Examinations in Dance and are aligned with Level 3 of the Regulated Qualifications Framework (Ofqual 2016). These examinations are offered in a range of genres (see the table on page 3) and are available to any candidate, with or without previous dance experience. Successful candidates receive a Level 3 Certificate in Graded Examination in Dance.

Intermediate is the second in the suite of Vocational Graded Examinations and successful candidates receive a Level 3 Certificate in Vocational Graded Examination in Dance.

Candidates may choose to do one or more examinations at Level 3 in various genres. The content of Grades 6-8 is conceived as a linear progression and candidates are advised to follow the numerical order. The content of Intermediate is conceived as a linear progression from Intermediate Foundation and candidates are advised to complete them in order.

Objectives

The objectives of Level 3 Graded and Vocational Graded Examinations in Dance are to:

- provide access to nationally recognised examinations in dance which, at the higher level, are accepted by the industry as benchmarks of achievement and taken into account by universities and other Higher Education (HE) institutions offering degree courses and programmes in dance and dance teacher education. Graded and Vocational Graded examinations also aid progression to workplace opportunities such as: professional dancer, teacher, examiner, choreographer, notator, historian, lecturer and community practitioner
- provide a broad education in and through dance which is accessible for all children, young people and adults, with or without prior dance experience.
- contribute to the development of a wide range of competencies and life skills, such as motor control, health and safety awareness, self-expression, physical fitness and stamina, discipline, mental ability and confidence
- provide a sound platform in dance knowledge and skills for progression to subsequent Graded and/or Vocational Graded Examinations.

Aims

The aims of Level 3 Graded and Vocational Graded Examinations in Dance are to:

- promote the study of dance as a leisure and/or vocational activity

- provide all candidates with an opportunity of experiencing dance accompanied by live or recorded music
- encourage personal self-confidence and group awareness through the experience of dancing solo, with partners and in small groups

- motivate students by providing a series of clearly defined goals which have been structured to reflect the principles of safe dance practice
- provide teachers with a means by which to develop and monitor the individual progress of their students
- reward achievement and motivate further learning.

Fitness for purpose

A qualification will only be fit for purpose if it secures the requirements of:

- validity
- reliability
- comparability
- manageability
- minimising bias

bbodance aims to meet these requirements through a rigorous internal Quality Assurance Framework which includes:

- identifying and mitigating conflicts of interest in the delivery of dance examinations
- adopting policies and procedures which encourage access to examinations, minimise or remove barriers, and treat all students and candidates without bias
- providing initial examiner training which includes seminars, 'shadowing' existing examiners and a mentoring support scheme
- providing on-going training for examiners and monitoring their work through annual seminars, moderation, standardisation exercises and performance reviews
- undertaking regular reviews of syllabus content, examination procedures and marking methodologies in order to meet regulatory requirements and the needs of examination 'users'
- undertaking statistical analysis of marks and adjustment where appropriate
- monitoring the use of Reasonable Adjustment and Special Consideration procedures and sharing best practice with other dance Awarding Organisations
- maintaining an appropriately skilled, competent and dedicated team of staff to design, deliver and quality assure dance examinations.

Assessment criteria specify the standard a candidate is expected to meet in order to demonstrate that the learning outcomes have been achieved. Each bbodance examination is marked according to a series of assessment criteria which reflect the level of the award.

Candidates will be examined through the performance of the prescribed Examination Content as set out in the genre-specific syllabi. In all dance genres, the examination content for Grades 6-8 and Intermediate are gender neutral. For the Ballet syllabi, Pointe Work is introduced for Vocational Graded Examinations, beginning with Intermediate Foundation. All candidates who opt to undertake the female ballet syllabi have Pointe Work examined and must obtain a mark of 4 or above for Footwork/Pointe Work in order to be successful overall. 6. Total Qualification Time (TQT)

TQT is a measure of the time taken for an average student to complete a qualification. This figure is for guidance only and does not mean that all students must undertake a specified number of hours before undertaking an examination.

The TQT for Grades 6, 7 and 8 is 130 hours. This figure comprises 90 Guided Learning Hours (GLH) and 40 hours of 'Other Learning'.

The TQT for Intermediate is 275 hours. This figure comprises 150 Guided learning Hours (GLH) and 125 hours of 'Other Learning'.

Guided Learning is the time set aside for teaching or supervising students, including weekly lessons, additional coaching and rehearsals.

Other Learning includes a diverse range of activities which support or extend the learning in class. These activities might include 'homework' tasks such as online dance research, reading books on dance technique, seeing a live dance performance or viewing a filmed extract online.

Following consultation with Awarding Organisations the figures for TQT were approved by the Council for Dance, Drama and Musical Theatre (April 2016).
