1) Summary, objectives, aims and philosophy

a) Summary

- i)** Grades 6, 7, 8 and Intermediate in Modern are aligned with Level 3 of the Regulated Qualifications Framework (Ofqual 2016) and lead to a Level 3 Certificate.
- ii)** Grades 6, 7 and 8 are conceived as a linear progression which covers an extended dance vocabulary at an achievable pace for the average student attending two or more dance class per week. Candidates are advised to complete each Grade in numerical order.
- iii)** The Intermediate examination covers a more extensive range of Modern dance vocabulary and requires more intensive study than Grades 6-8. This is reflected in the Total Qualification Time allocation (see Section 7).
- iv)** All bbdance Level 3 qualifications carry UCAS points (see Section 8)

a) Objectives

- i)** To provide access to nationally recognised examinations in dance which, at the higher level, are accepted by the industry as benchmarks of achievement and taken into account by universities and other Higher Education (HE) institutions offering degree courses and programmes in dance and dance teacher education. Graded and Vocational Graded examinations at Level 3 also aid progression to workplace opportunities such as: professional dancer, teacher, examiner, choreographer, notator, historian, lecturer and community practitioner.
- ii)** To contribute to the development of a wide range of competencies and life skills, such as motor control, health and safety awareness, self-expression, physical fitness and stamina, discipline, mental ability and confidence.
- iii)** To provide a sound platform in dance knowledge and skills for progression to the workplace and/or Vocational Graded Examinations at Level 4.

b) Aims

- i)** The aims of the Graded Examinations in Modern are to:
 - promote the study of dance as a leisure and/or vocational activity

- provide a means of measuring the acquisition of technical, musical and dance performance skills
- promote and encourage enjoyment of dance as a form of physical exercise
- provide all candidates, particularly children and young people, with an opportunity of experiencing modern accompanied by live or recorded music
- encourage personal self-confidence and group awareness through the experience of dancing solo, with partners and in small groups
- aid the development of a general appreciation of music through dancing to various musical styles and rhythmic patterns
- motivate candidates by providing a series of clearly defined goals which have been structured to reflect the principles of safe dance practice
- provide teachers with a means by which to develop and monitor the individual progress of students and candidates

c) Fitness for purpose

i) A qualification will only be fit for purpose if it secures the requirements of

- Validity
- Reliability
- Comparability
- Manageability
- Minimising bias

ii) bbodance aims to meet these requirements through a rigorous internal Quality Assurance Framework which includes:

- identifying and mitigating conflicts of interest in the delivery of dance examinations
- Adopting policies and procedures which encourage access to examinations, minimise or remove barriers, and treat all candidates without bias.
- providing initial examiner training which includes seminars, 'shadowing' existing examiners and a mentoring support scheme
- Providing on-going training for examiners and monitoring their work through annual seminars, moderation exercises, standardisation and performance reviews
- Undertaking regular reviews of syllabus content, examination procedures and marking methodologies in order to meet regulatory requirements and the needs of examination 'users'
- Undertaking statistical analysis of marks and adjustment where appropriate

- Monitoring the use of Reasonable Adjustments and Special Considerations procedures and sharing best practice with other dance Awarding Organisations
- Maintaining an appropriately skilled, competent and dedicated team of staff to design, deliver and quality assure dance examinations

d) Entry Criteria

- No previous dance qualifications are necessary in order to enter for Graded Examinations.
- For the Intermediate examination, candidates must have gained Level 2 equivalent knowledge, understanding and skills.

2) Learning Outcomes, and Assessment Criteria

a) The learning outcomes and assessment criteria for Grades 6, 7, 8 and Intermediate are given below.

2	Indicates a very limited ability to achieve
3	Indicates a limited ability to achieve
4	Indicates an acceptable ability to achieve
5	Indicates a good ability to achieve
6	Indicates a very good ability to achieve
7	Indicates an excellent ability to achieve

Merit (M)	55 – 69
Pass (P)	40 – 54
Standard Not Yet Achieved (SNYA)	0 – 39

c) Achievement Descriptors

i) Distinction

Excellent in most aspects of technique with consistency across centre and floor work. The quality of performance and musicality is also well developed with demonstration of a range of dynamics. At the upper end of the mark range for Distinction, the candidate demonstrates an outstanding or exceptional overall achievement.

ii) Merit

Good in most aspects of technique with some very good areas of ability. Some aspects of performance quality and musicality are well developed but may lack consistency. At the upper end of the mark range for Merit is work which is very good overall.

iii) Pass

Acceptable or adequate in the control of technique with some inconsistency across the full range of examined work. Some musical awareness and sense of performance is demonstrated but not fully developed. Some areas of the work examined show limited ability but overall the learning outcomes for the level have been met.

iv) Standard Not Yet Achieved

Limited technical ability with insufficient strength or control. Musical awareness is not clearly demonstrated and there is a lack of performance style. Whilst there may be some potential ability, the learning outcomes have not been met, further study is required.

7) Total Qualification Time (TQT)

- a) TQT is a measure of the time taken for an average learner to complete a qualification. This figure is for guidance only and does not mean that all learners must undertake a specified number of hours before undertaking examination. The introduction of TQT follows the Raising the Participation Age (RPA) legislation which will require all young people to prove that they are in full-time education until they are 18.
- b) The TQT hours for Grades 6, 7 and 8 is 130 (each). This figure comprises 90 Guided Learning Hours and 40 hours of 'Other Learning'.
- c) The TQT hours for Intermediate is 275. This figure comprises 150 Guided Learning Hours and 125 hours of 'Other Learning'.
- d) Guided Learning is the time set aside for teaching or supervising learners, including weekly lessons, additional coaching and rehearsals.
- e) Other Learning includes a diverse range of activities which support or extend the learning in class. These activities might include 'homework' tasks such as online research on dance, reading books on dance technique, seeing a live dance performance or viewing a filmed extract online.
- f) Following consultation with Awarding Organisations the figures for TQT were approved by the Council for Dance Education and Training (April 2016).
