\*bbodance is the new name for the British Ballet Organization which was set up in 1930 to improve standards of dance teaching. Our mission is to inspire excellence and promote the education, training and enjoyment of dance. We are an inclusive, innovative and dynamic organisation which supports its members through a lifelong partnership.

bbodance is accredited by the Council for Dance Education and Training (CDET) and offers examinations in Ballet, Tap, Jazz and Modern which are regulated by Ofqual and Qualifications Wales and recognised under the Regulated Qualifications Framework (RQF). These examinations are delivered both nationally and internationally.

In addition to regulated qualifications, bbodance offers Performance Awards and Freestyle Dance Awards for students who do not wish to take formal examinations. Information on all qualifications and awards can be found on our website ([www.bbo.dance](http://www.bbo.dance)).

This Specification sets out the aims, objectives, assessment criteria and content for the named qualification/s. The document contains a summary of the examined dance content: a detailed syllabus can be found on the website and can be downloaded for fuller reference.

## **1) Summary, objectives, aims and philosophy**

### **a) Summary**

- i)** Grades 4 and 5 are Graded Examinations in Dance aligned with Level 2 of the RQF. Successful candidates receive a Level 2 Award in Graded Examination in Dance (Jazz).
- ii)** The Intermediate Foundation examination is a Vocational Graded Examination aligned with Level 2 of the RQF. Successful candidates receive a Level 2 Certificate in Vocational Graded Examination in Dance (Jazz).
- iii)** Grades 4, and 5 are conceived as a progression which covers a basic dance vocabulary at an achievable pace for the average student attending one or two dance classes per week. Candidates are advised to complete each Graded Examination in succession.
- iv)** Intermediate Foundation marks the beginning of the Vocational Graded Examination route which differs in the nature and volume of syllabus work from Graded Examinations at the same level.

### **b) Objectives**

- i)** To provide access to nationally recognised examinations in dance which, at the higher level, are accepted by the industry as benchmarks of achievement and taken into account by universities and other Higher Education (HE) institutions offering degree courses and programmes in dance and dance teacher education.
- ii)** To contribute to the development of a wide range of competencies and life skills, such as motor control, health and safety awareness, self-expression, physical fitness and stamina, discipline, mental ability and confidence.
- iii)** To provide a sound platform in dance knowledge and skills for progression to subsequent Graded Examinations and/or entry to Vocational Graded Examinations at Level 3.

### **c) Aims**

- i)** The aims of Level 2 Examinations in Dance (Jazz) are to:
  - promote the study of Jazz dance as a leisure and/or vocational activity
  - provide a means of measuring the acquisition of technical, musical and jazz performance skills
  - promote and encourage enjoyment of jazz dance as a form of physical exercise

- provide all candidates, particularly children and young people, with an opportunity of experiencing jazz accompanied by live or recorded music
- encourage personal self-confidence and group awareness through the experience of dancing solo, with partners and in small groups
- aid the development of a general appreciation of music through dancing to various musical styles and rhythmic patterns
- motivate students by providing a series of clearly defined goals which have been structured to reflect the principles of safe dance practice
- provide teachers with a means by which to develop and monitor the individual progress of their students

**d) Fitness for purpose**

**i) A qualification will only be fit for purpose if it secures the requirements of**

- Validity
- Reliability
- Comparability
- Manageability
- Minimising bias

**ii) bbodance aims to meet these requirements through a rigorous internal Quality Assurance Framework which includes:**

- identifying and mitigating conflicts of interest in the delivery of dance examinations
- Adopting policies and procedures which encourage access to examinations, minimise or remove barriers, and treat all students and candidates without bias.
- providing initial examiner training which includes seminars, 'shadowing' existing examiners and a mentoring support scheme
- Providing on-going training for examiners and monitoring their work through annual seminars, moderation exercises and performance reviews
- Undertaking regular reviews of syllabus content, examination procedures and marking methodologies in order to meet regulatory requirements and the needs of examination 'users'
- Undertaking statistical analysis of marks and adjustment where appropriate
- Monitoring the use of Reasonable Adjustments and Special Considerations procedures and sharing best practice with other dance Awarding Organisations
- Maintaining an appropriately skilled, competent and dedicated team of staff to design, deliver and quality assure dance examinations

**e) Entry Criteria**

- i) No previous dance qualifications are necessary in order to enter for Graded or Vocational Graded examinations in Dance Examinations.
- ii) Graded Examinations are open to candidates of any age, although bbodance recommends that candidates should be aged 7 or above before undertaking the Grade 1 examination.

## 2) Learning Outcomes, and Assessment Criteria

- a) The learning outcomes and assessment criteria for Grades 4, 5 and Intermediate Foundation are given below.
- i) **Learning outcomes** describe what a student or learner should know, understand or be able to do on completion of a period of learning. These outcomes are defined in terms of knowledge, skills and competence. Each bbodance Graded Examination syllabus is underpinned by a set of learning outcomes which are appropriate for the level of the examination and award
- ii) **Assessment criteria** specify the standard a student or learner is expected to meet in order to demonstrate that the learning outcomes have been achieved. Each bbodance Graded Examination is marked according to a series of assessment criteria which reflect the level of the examination and award.

### b) Level 2 Descriptor

- i) Candidates who have successfully completed a Level 2 Award have demonstrated sound knowledge and understanding of the movement vocabulary set for a Level 2 Award (Grades 4-5) or Level 2 Certificate (Intermediate Foundation) in a selected dance genre. They have shown technical proficiency throughout, although there may still be some areas in need of development. Spatial awareness is clearly evident in floor patterns and in accommodating other candidates. There is clear understanding of a range of musical rhythms and dynamics as the basis for expressive movement. At this level, candidates can demonstrate a clear sense of performance, although this may not always be fully sustained.

## 6) Marks and Achievement Descriptors

### a) Mark Descriptors

Mark	Descriptor
0	The candidate did not attend the examination or did not show the work required
1	Indicates an extremely limited ability to achieve
2	Indicates a very limited ability to achieve
3	Indicates a limited ability to achieve
4	Indicates an acceptable ability to achieve
5	Indicates a good ability to achieve
6	Indicates a very good ability to achieve
7	Indicates an excellent ability to achieve
8	Indicates an excellent ability to achieve
9	Indicates an outstanding ability to achieve
10	Indicates an outstanding ability to achieve

### b) Achievement Categories

Category of Achievement	Overall Mark
Standard Not Yet Achieved (SNYA)	<b>0 – 39</b>
Pass (P)	<b>40 – 54</b>
Merit (M)	<b>55 – 69</b>
Distinction (D)	<b>70 - 100</b>

### c) Achievement Descriptors

#### i) Distinction

Excellent in most aspects of technique with consistency across barre and centre work. The quality of performance and musicality is also well developed with demonstration of a range of dynamics. At the upper end of the mark range for Distinction, the candidate demonstrates an outstanding or exceptional overall achievement.

#### ii) Merit

Good in most aspects of technique with some very good areas of ability. Some aspects of performance quality and musicality are well developed but may lack consistency. At the upper end of the mark range for Merit is work which is very good overall.

#### iii) Pass

Acceptable or adequate in the control of technique with some inconsistency across the full range of examined work. Some musical awareness and sense of performance is demonstrated but not fully developed. Some areas of the work examined show limited ability but overall the learning outcomes for the level have been met.

**iv) Standard Not Yet Achieved**

Limited technical ability with insufficient strength or control. Musical awareness is not clearly demonstrated and there is a lack of performance style. Whilst there may be some potential ability, the learning outcomes have not been met, further study is required.

## **7) Total Qualification Time (TQT)**

- a) TQT is a measure of the time taken for an average learner to complete a qualification. This figure is for guidance only and does not mean that all learners must undertake a specified number of hours before undertaking examination. The introduction of TQT follows the Raising the Participation Age (RPA) legislation which will require all young people to prove that they are in full-time education until they are 18.
- b) The TQT for Grades 4 and 5 is 95 hours with 75 hours of Guided Learning and 20 hours of Other Learning.
- c) The TQT for Intermediate Foundation is 275 hours with 150 hours of Guided Learning and 125 hours of Other Learning.
- d) Guided Learning is the time set aside for teaching or supervising learners, including weekly lessons, additional coaching and rehearsals.
- e) Other Learning includes a diverse range of activities which support or extend the learning in class. These activities might include 'homework' tasks such as online research on dance, reading books on dance technique, seeing a live dance performance or viewing a filmed extract online.
- f) Following consultation with Awarding Organisations the figures for TQT were approved by the Council for Dance Education and Training (April 2016).
